Too long for email? Want audio? Read online or the app. The pleasant “Oliver” voice provided by Substack will read this to you — through bluetooth in your car, TV, LR stereo, headphones, etc... “He” has quirks, but does a nice job and doesn't get tired (even reads in Arabic and Hebrew).

"Zionism is anti-Semitic: The greatest danger to Jews, everywhere and at all times, is Zionism!"

125 years of proud Zionist terrorism — all documented; and *never forget* the Right to Rape!

Dear Zionist "=Nazi",

“The children are always ours, every single one of them, all over the globe; and I am beginning to suspect that whoever is

incapable of recognizing this may be incapable of morality.” — James Baldwin

This quote is what you reacted to. No mention was made of Israel, yet your deep seated guilt and Zionist conditioning led you to immediately protest, too much. Your Ego led you to try and guilt trip the OP with, “Is this about Israel? Are you calling me immoral?”

“Ignorance for lack of information is understandable and normal, though still unacceptable; however, choosing ignorance when you have the information readily accessible or in-hand only points to failing in yourself.” *(**X Rubicon**, Preface)*

“Israel is a People, not a land.” *-- Abraham Joshua Heschel*

IDF soldier: ***“They were never the terrorists, we were. We have always been the terrorists.”*** *— Alison Weir, Against Our Better Judgment, Endnotes*

(2017) Captured ISIS Libya commander Abu Hafs turns out to be Benjamin Afraim, an Israeli national operating in one of Mossad’s special units.

Looking at your FaceBook profile after you so blatantly tried to pass yourself off as a Tolle follower and accused me of wrecking your inner peace… When I stopped laughing long enough to focus on your hypocrisy, I realized how insane you are addicted to Zionism and money. You worship the Golden Calf. Your profile reads like a Zionist propaganda page, complete with spewing by your Fuhrer. You asked the OP if she thought you immoral, and the resounding answer from commenters was, yes you definitely are. As I told you, "If the shoe fits…", and it fits you well. You don't educate yourself with real history, you gorge yourself with Zionist propaganda and you suffer from the mental illness of a superiority complex…

"Our race is the Master Race. We are divine gods on this planet… In fact, compared to our race, other races are beasts and animals, cattle at best."

— Menachem Begin, 6th Israeli Prime Minister, Speech to the Knesset (1982) [verified by Israeli historian Martin van Creveld in 2022: "I have found the

original speech in Central Zionist Archives (CZA), and a copy in the Ben-Gurion Archive. This translation is correct."]

"The State Department, fully aware of his violent activities in Palestine, tried to reject Begin's visa but was overruled by Truman (250)... Begin later proudly admitted his terrorism in an interview for American television. When the interviewer asked him, 'How does it feel, in the light of all that's going on, to be the Father of Terrorism in the Middle East?' Begin proclaimed, 'In the Middle East? In all the world!' (251)"

— Alison Weir, Against Our Better Judgment, Massacres and the Conquest of Palestine

You dismiss important real Jewish thinkers and moral philosophers. You dismiss Dr Hajo Meyer, a Holocaust survivor:

"If we want to stay really human beings, we must get up and call the Zionists what they are: Nazi criminals." *(Dr. Hajo Meyer, 1924-2014, Holocaust survivor)*

"An anti-Semite used to be a person who disliked Jews. Now it is a person who Jews dislike." *(ibid)*

"The Nazis made me afraid to be a Jew, and the Israelis make me ashamed to be a Jew." *(Dr Israel Shahak, Israeli Professor of Organic Chemistry, Holocaust survivor, and civil rights advocate & activist)*

I suppose denialism goes along with victim-hood, and you *certainly* like playing the victim; but you can't, in Truth, play the victim forever. If you're interested in understanding the history of your Zionist attitude, read the book **Against Our Better Judgment** found in the website link below, and read Jewish authors, historians, and archeologists. But let's understand a few facts from recent times as well. In 2006 George Bush Jr instituted a Democracy Initiative in Gaza to encourage Palestinians to vote (ironically for Israeli politics). Hamas put forth a candidate and won overwhelmingly, due to 125 years of documented Zionist terrorism. Hamas then started putting out requests for peace talks, which Netanyahu and George Bush wouldn't allow. Israel's reaction was the creation of the open air prison of Gaza - you know, complete with barbed wire, just like the Nazis. Israel then placed snipers on the hills outside and started shooting unarmed protesters and paramedics; and bombs falling on men, women, children, infants and old people constantly, including white phosphorus (**X Rubicon**: *White Phosphorus*). *Open air prison is the "nice" term*. A professor at Hebrew University had called it out flatly: "It's the largest concentration camp the world has ever known." So if you'd like to start your journey to truth and enlightenment, start at If Americans Knew .org where you'll find the book Against Our Better Judgment by Alison Weir, and read Mint Press News. Read the books by Dr Shahak detailing the religious extremism of Israelis.

Kosher Nazi Party building "Greater Israel" =Nazi *lebensraum*

Children in kibbutz schools are taught a demented racist curriculum of superiority (The Times of Israel), based upon a very sick public statement of Israel's then Chief Rabbi, "Hitler had it right, he just chose the wrong people."

> "Let's begin with the question of whether Hitler was correct or not. He was the most correct man that there is, certainly he was correct about every word he said. In his ideology, he was correct… He had a better spiritual understanding, again in an instinctive way, than all our contemporary leaders. He was saying something very simple.
>
> "There is a world war between two camps. There is the side of the Jews, who enlisted the Christians in their camp as a fifth column. And there is our (=Nazi) camp, the others, and these are those who are pro-war, pro-army, pro-Sparta, pro-Rome, pro those who fight. There is a masculine world that fights, whose interests are glory and the brotherhood of warriors. And there is a feminine world, soft and ethical, blah blah blah [he uses a mocking feminine voice here to capture Hitler's ostensible feeling of contempt] where one turns the other cheek.
>
> "from a *shiur* (Torah class) given by Rabbi Giora Redler of Bnei David Mechinah in the settlement of Eli"

But of course, the author, of the article, Zev Farber, like you, delusionally attempts to soften the blow, as though he believes there may be misunderstanding of the false rabbi. The author treats of Hitler being non-Jew, **yet according to Jewish law, Schickelgruber was Jewish**; further, there is a stark and clear admission here of Zionists **being** "=Nazi". Mincing and parsing out history and fact, and morals, is only embracing Ignorance as a way of life.

> "The best thing [for an Arab] is to be a slave to a Jew. They are happy to be slaves. There are nations around us with genetic problems. Arabs want to be conquered, since they have a genetic

> problem. They don't know how to run a country… We believe in racism. There are races in this world and peoples have genetic traits, and this requires us to think about how to help them. Jews are a more successful race. (*ibid*)
>
> "When asked about this quote, Rabbi Kashtiel responded that the statement has been taken out of context. "My usage of terms such as race and slavery, was not meant to invoke the degrading and cruel treatment that we and all of humanity experienced." In other words, he does not want to recreate the abuses known from American black slavery or the stories of Israel's slavery in Egypt. **Instead, Rabbi Kashtiel envisions Jews as a peaceful and kind race of overlords in a benign but permanent dictatorship."** (*ibid*)

Zionist "Useful idiots" abound

“What is the difference between the Nazis shooting unarmed Jews, and Israelis shooting unarmed Palestinians?”

On the left is little Rebecca, an immigrant from Boston USA and sniper in the Israeli Terrorist Force; also, a war criminal. On the right is Razan al Najjar, a Palestinian paramedic caring for unarmed demonstrators who the Israelis were sniping from beyond the concentration camp fence. Rebecca’s first act as a sniper was the murder of the paramedic, Razan al Najjar.

scattered the exiled Judeans throughout Europe and establishe
the Diaspora is a myth. We show that Jews are a heterogeneous
group and that the "Jewish genome" is a cosmopolitan mixture
past and present ethnicities.
Myths...
❑ Jews are a race or an isolate
❑ Jews have a Levantine common ancestor
❑ The Roman Exile (70 AD) established the Jewish Diaspora
❑ "Ashkenazi Jews" originated from a small founder group
❑ All Jews are related to one another

Eran el Haik, Israeli born Jewish geneticist, who led the landmark Johns Hopkins genetic study and said Harry Ostrer was a liar

But of course, YOU are aware that Jewish myths are fraudulent: “Jews are not a ‘Race’”. Biological Jewishness, or Zewishness (cf Nada Chehade), is ***not*** an actual thing in reality, because Judaism is a ***religion***, ***not*** a biological genome, and Ashkenazi Jews contain **no** ancient Israelite DNA (because they were Khazarian converts). Ashkenazi Jews

are convert wannabes to a “faith that died before Jesus came”. 80%+ of Palestinians contain ancient Israelite DNA, and 90%+ of Yemenis contain ancient Israelite DNA, and a significant number of Iranians contain ancient Israelite DNA; while only 2.5% of Israelis (Mizrahi) contain ancient Israelite DNA. “There is ***NO*** *Jewish* DNA; Jews ***are not*** a race or an isolate; Jews ***do not*** have a Levantine common ancestor; the Roman Exile (70 AD) ***did not*** establish the Jewish Diaspora; ‘Ashkenazi Jews’ ***did not*** originate from a small founder group; all Jews ***are not*** related to one another” [Eran el Haik, Israeli born Jewish geneticist, who, by the way, said Harry Ostrer was a liar — from his landmark study at Johns Hopkins University. “Ashkenazi Israelis tried to pull off what he aptly described as ‘shooting the arrow and then drawing a bullseye around it.’” This mythology has led to the attempt to “rebuild” what never existed - (see below and Romans, Spartans, Zionists, and Slavery).

You easily convert people calling you a Zionist, to “poor” poor me, poor Jews, even though the majority of Jews worldwide say the same as Dr Meyer; then you run to your FaceBook page and cry so your followers, who have not received a full account of your running mouth, will baby you and pat you on the back with emoji hugs. You call everyone who calls you out an antisemite. I don’t believe you even know what a semite is; a semite is a person whose **primary** language is a semitic language (**as opposed to those for whom it is secondary and manipulatively secrecy oriented**). Semitic spoken language, like all languages, developed within culture, a culture common to the Middle East, and Ashkenazi Jews are certainly not Semitic. That makes those who primarily speak Arabic as well as Hebrew semitic people, so expertly laid out for you in Edward Gibbon’s epic history ***The Decline and Fall of the Roman Empire***. It’s pretty ignorant and hypocritical of you to call Arabs antisemites. Joe Biden, Donald Trump, and the majority of US and international politicians, embracing Zionism when they told AIPAC, “I’m a proud Zionist”, also embrace this antisemitism, and genocide — they deserve the nicknames Genocide Joe and Genocide Donny, along with Genocide Barack, Genocide George, Genocide Billy, Genocide Ursula,

Genocide Kid Starver, *et al*. In the reality of facts, Zionists are Philistines and Psychopaths. And considering the volumes of documentation of Zionitic Jews, or Zews, clearly despising Mizrahi (Jews and Arabs (including Muslims with ancient Israelite DNA), that makes *you* antisemitic.

You embrace murder: “They didn’t know how to fight, but as murderers they were pretty good.” (Israeli Army Colonel quoted in Against Our Better Judgment). It always amazes me how many stupid things Zionists say. Zionists and their apologists are currently falling all over themselves to justify murder, as though this doesn’t egregiously violate much of your Ten Commandments.

"Then there are the Zionist Boot-strap Lifters. They differ little from the others, except, because their Mighty One has Chosen Them, and gifted them with all the property of the Earth, they don't allow others to have boots. Their Rabbis preach and demand that all *others (goyim)* are required to lift them to their thrones by their special Zionist boot-straps, after graciously allowing their subjects to lick their boots

clean. Those who question are met with the resounding shout, "Anti-Semite!!"; and those who refuse, including namesake Jews, are bound, gagged, tortured, and assassinated. Of course, like the other Boot-strap Lifters, while their subjects attempt to lift them, the Zionist picks their pockets." (Griobhtha, *cf* Upton Sinclair, **The Profits of Religion**, *Boot-strap Lifting*)

All documented meticulously in history; in other words, you are a psychopath! (Rubicon & Sean Griobhtha)

The evidence of this psychopathy is detailed in numerous volumes of scholarly investigation, and supported further by numerous scholarly investigations going back centuries. Again, expertly researched and laid out and concluded by Edward Gibbon's 6 volume epic history ***The Decline and Fall of the Roman Empire*** (1776-1789); and recently "discovered" by Jewish scientists, archeologists, and historians: **The majority of the world now knows that there was no Israeli kingdom of the ridiculous size sketched out by Theodor Herzl.** The ancient Israelites (primarily Yemenis, Palestinians, and Iranians) simply moved and reformed as non-Jew (*cf* el Haik 2012; Oppenheim 2001). Israeli historians, archeologists, and scientists have stated matter-of-factly that there was **NO** Joshua, **NO** fallen walls of Jericho, **NO** David, **NO** Solomon, **NO** mass Jewish slavery in Egypt, **NO** Maccabees nor mass entrapped suicide at Masada, **NO** Diaspora, **NO** Greater Israel, and **obviously**, ***nor*** morals. At the time the Jews supposedly escaped from the Pharaoh, the entire land of Palestine was part of his empire, and you don't think he could have recaptured such a mass of people "lost" in his desert for the common "40 years"; and that Moses, raised as a Prince of that empire, and familiar with the Pharaoh's kingdom, was too stupid to read the sun and tell which way was North?!? **It's all a fairy tale for idiots like you, Zionist; and of course your idiot brothers & sisters of the Christian Zionist community. What has proved true is the Zionist penchant for lying and self-delusion.**

"In 1870 the group [The Board of Delegates of American Israelites] organized protest rallies around the country and lobbied Congress to take action against reported Romanian pogroms that had killed 'thousands' of Jews. The chair of the Senate Foreign Relations Committee suggested that such reports might be exaggerated [false

even], but under pressure from the 'Israelite' board, the Senate ordered the committee to take up the issue with the State Department. Eventually, it turned out the total killed had been *ZERO*. (Goldberg, **Jewish Power**, 98-99)" — Alison Weir, **Against Our Better Judgment**, *Endnotes*))

An oft repeated Zionist lie about FDR, from every news organization, including NPR, is that he refused to allow Jews into the US. The truth is that **meddling Zionists forced this, and they repeat it to produce guilt-trips for Holocaust actions that they caused themselves**:

"When FDR made efforts in 1938 (116), and 1943 (117), and the British in 1947 (118), to provide safe havens for refuges from the Nazis, Zionists opposed these projects… Morris Ernst, FDR's international envoy for refugees, wrote… 'active Jewish leaders decried, sneered and then attacked me as a traitor… I was openly accused of furthering this plan of freer immigration [into the US] in order to undermine political Zionism…' (119). Ernst wrote that he found the same fanatical reaction among all the Jewish groups he approached, whose leaders, he found, were ***'little concerned for human blood if it is not their own'*** (120)… FDR finally gave up, telling Ernst: 'We can't put it over because the dominant vocal Jewish leadership of America won't stand for it.' (121)" — Alison Weir, **Against Our Better Judgmen**t, *Zionists And Nazis*

Zionism is an infectious stain upon the world. Zionists are liars, malevolent, manipulative, genocidal, racists, and war mongers. Zionists are traitors to humanity. Zionists are traitors to country. Zionists are traitors to countrymen. Zionists are Parushim (Pharisees… separate) Fascists. Zionists are traitors to Truth. Zionists are traitors to Judaism. What does this say of self-proclaimed Zionists like Biden (Harris), Trump (Vance), Congress-men and -women, Supreme Court "Justices" (Brandeis, Frankfurter, et al? (Sean Griobhtha, Notes for X Rubicon)

Israeli PM Ariel Sharon, 1928-2014, in a Hebrew language interview with Israeli writer Amos Oz, stated: **“Even today I volunteer to do the dirty work for Israel, to kill as many Arabs as necessary, to deport them, to expel and burn them, to have everyone hate us, to pull the rug out from underneath the feet of the Diaspora Jews, so that they will be forced to run to us crying. *Even if it means blowing up a few synagogues, I don’t care*. And I don’t mind if after the job is done you put me in front of a Nuremberg Trial and then jail me for life. Hang me if you want, as a war criminal… What your kind doesn’t understand is that the dirty work of Zionism is not finished yet, far from it.”**
(published in Hebrew in the Israeli newspaper Davar, 17 December 1982)

In 1933, the Zionists celebrated a pact with Hitler to transfer Jewish wealth to Zionist banking, and they minted a commemorative coin, Swastika on one side, and the “Star of David” on the other. Jews who failed to participate suffered the Samson option, and leads Zionists to despise Holocaust survivors. Notice that this *Haavara* (transfer) Agreement — which facilitated Zionist emigration to Palestine, the “empty” land and the “empty” land has a bank directed by Zionists — facilitated transfer of Zionist wealth. This agreement purposely violated the anti-Nazi boycott of 1933 to preserve Zionist stolen wealth and maintain access for Hitler to outside sourcing and transfer of German goods… Ben-Gurion felt the success of the Nazis would be a boon for Zionism and he worked assiduously with the Nazis. > "For decades the Israelis have been committing genocide and establishing an apartheid regime aimed at reestablishing the ancient kingdom [and slavery]. This land does not belong to them regardless of the zealotry arguments. The basis of their claim is "God gave us the land"... well, *Dixit*! End of discussion, eh? – "God" told them to enter a land that didn't belong to them, in which they didn't live, and *slaughter* every last inhabitant (men, women, children) "lest they be a thorn in the side forever". Israelis are attempting since pre-1947 to pick up where they failed centuries ago. Their Chief Rabbi, who

> advises the Zionist government, has stated on the record that “Hitler had it right, he just chose the wrong people.” The US supplies them with weapons and money, *billions* from US taxpayers to commit genocide and apartheid. The US makes love to this opportunistic whore and allows them to destabilize the entire Middle East – *and you American boys and men* will be called upon to slaughter and be slaughtered for the kingdom. The whore comes to Washington, and for serious cash the Congress and President bend over and take it up the ass in a gleeful rape, and then allow Israeli lobbyists to write legislation federally and in the states.” -- **X Rubicon** – *Boys And Men*

Zionism is anti-Semitic: The greatest danger to Jews, everywhere and at all times, is Zionism!

125 years of proud Zionist terrorism — all documented; and *never forget* the Right to Rape!

Zionism is not religion, nor is it associated with religion itself. Herzl, Ben-Gurion, Sharon, Netanyahu, *et al*, are all atheists. But like Mussolini:

> "Holy is the State and the State alone. Religion, in the particular case 'that particular positive religion that is [Evangelicalism]', is a valuable asset of the State and must be protected and fostered as such. The State, in its turn, is not at all the embodiment of a natural necessity, nor does it coincide with the natural facts of race and nation; in which case its expanding power would be limited within the narrowness of objective bounds. The State is a creation of the Spirit, or of the Will of History. But where and how does this Spirit or Will visibly appear? Not in the God of the believer, since God, the God of [Evangelicalism], is merely an asset of the State, which definitely 'has no theology'. Nor does it appear in the Nature of the anthropologist or geographer. Nor, finally, in the demos of the democrat or in the mass of Marx. **The Spirit or Will, otherwise called State, embodies itself 'in the few, nay, in the One'. In other words it is the despot, and the despot alone, who is the Holy.**" — (**Goliath: The March of**

> **Fascism**, *A Doctrine of Its Own* – G A Borgese, (1938, New York, The Viking Press - embedded quotes of Benito Mussolini))

Zionism knows the power of religion to achieve its fascist glory, and Zionists praise the power of fascism (Romans, Spartans, Zionists, and Slavery); which, in turn, makes reality of the gullibility and ignorance of the populace and utilizes religion to achieve clearly antagonistic ends, in order to solidify power (this clearly applies to Christian Zionists as well). And again, like Mussolini:

> "It is a well-known ability of viciousness to mimic the appearances of virtue and truth; else, should evil look as ugly as it is, its power upon humans would be small. This favorite guile of the fiend has long been adumbrated in the allegory introducing Satan as a handsome angel, nay, the handsomest in all the celestial array. Accordingly, the first section of Mussolini's dissertation smuggled the anarchy and tyranny of the One as a remedy against the disintegrating individualism of many; while the latter section disguises lust for carnage and sadistic glory as heroism, nay, as the only possible redemption from cowardice and selfishness.
>
> "It should have come out clearly for the readers and for the author as well that it is not the amount which decides the quality of human energy. Such phrases as "the maximum of tension" or "the storm in the people's hearts" are liquor spilt from a cheap romantic cask. It used to be intoxicating; it is now lees and sourness. Were the amount or violence of explosive energy the measure for human conduct, the fury of the arsonist should seem better than the architect's endurance and the rapist should be above the saint." (*ibid*)

Love and the Prophets

Many years ago a very wise and compassionate man, Abraham Joshua Heschel, wrote an impassioned book, A Passion For Truth, in which he wrote about the true forces of Judaism which you would do well to

read. There was the Baal Shem Tov, who was the Rabbi of Light and Love, and there was Rabbi Mendel of Kotzk (the Kotzker) who represented the attitude of the Prophets to have the people return from their always erring ways. Both men believed in the power of Love, and both men taught that *Love not expressed by your hands is only lip-service*. Heschel believed that once an idea had become only lip-service, the idea was destroyed. The evil of Zionism is hell bent on destroying Love, and they've succeeded for at least half the Israeli population. (*cf* Heschel, **A Passion For Truth**, and **The Insecurity Of Freedom: Essays on Human Existence**)

"There is an evil which most of us condone and are even guilty of: *indifference to evil*. We remain neutral, impartial, and not easily moved by the wrongs done to other people. Indifference to evil is more insidious than evil itself; it is more universal, more contagious, more dangerous. A silent justification, it makes possible an evil erupting as an exception becoming the rule and being in turn accepted." (Abraham Joshua Heschel, **The Insecurity of Freedom**)

How can you see into my eyes like open doors?
Leading you down into my core where I've become so numb
Without a soul, my spirit's sleeping somewhere cold
Until you find it there and lead it back home

(Wake me up) wake me up inside (I can't wake up), wake me up inside
(Save me) call my name and save me from the dark
(Wake me up) bid my blood to run (I can't wake up) before I come undone
(Save me) save me from the nothing I've become

Now that I know what I'm without, you can't just leave me
Breathe into me and make me real, bring (bring) me (me) to life

(Wake me up) wake me up inside (I can't wake up), wake me up inside
(Save me) call my name and save me from the dark
(Wake me up) bid my blood to run (I can't wake up) before I come undone

(Save me) save me from the nothing I've become

Bring me to life
I've been livin' a lie
There's nothing inside
Bring me to life

Frozen (frozen) inside without your touch, without your love
Darling, only (only) you are the life among the dead
All this time, I can't believe I couldn't see
Kept in the dark, but you were there in front of me
I've been sleeping a thousand years, it seems
Got to open my eyes to everything
Without a thought, without a voice, without a soul
Don't let me die here, there must be something more
Bring me to life

(Wake me up) wake me up inside (I can't wake up), wake me up inside
(Save me) call my name and save me from the dark
(Wake me up) bid my blood to run (I can't wake up) before I come undone
(Save me) save me from the nothing I've become

Bring me to life

"In the past six years, new Neolithic remains discoveries in Israel and the advances in genetic sequencing have combined to support Elhaik's 2013 work, that Ashkenazi Israelis tried to pull off what he aptly described as 'shooting the arrow and then drawing a bullseye around it.'...

"Paleogenomics changed all that. Thanks to advances in the field, it became possible to extract DNA from ancient people and identify their mitochondrial haplogroups and even autosomal DNA. This remarkable progress allowed the unthinkable: A semi-revival of the ancient Israelites from their dry bones and the recovery of their stories. The DNA extracted from those bones can tell us who these people were, what they looked like, what they ate, and what diseases they carried (Nielsen et al. 2017; Prohaska et al. 2019). We can trace their migration routes to gain a deeper understanding of where we all came from. Yes, they can also tell us how similar those ancient Israelites were to modern-day people, and if modern-day Jews are not the lineal descendants of the ancient Israelites, we can find out who are."

I was reminded of this falsification as I read and wrote about the Zionist rabbi (so-called) teaching Israeli children his falsification of how the world is supposed to work. Giora Redlar, so-called rabbi, represents sentiments of a majority of Zionists in praising a “brotherhood of warriors”, slavery, and mocking feminine sentiments; even Israeli women mock their own feminine sentiments, submit to penis envy, and hold up signs for Western media proclaiming, “Kill them ALL”.

by Stanley L Cohen, a brave man with a conscience: “We stand for justice, truth and the value of a single human being.” With these simple but powerfully inspiring words, a life-time ago, the world held-out hope that at long last international law and accountability would progress from abstract, esoteric principle to momentous binding application. The Nuremberg Tribunals spoke directly to the pain and suffering of tens of millions of civilians swept up into the geo-political chambers of supremacist hate and violence, victimized by an unprecedented rampage of the relative few who committed a calculated, gruesome violation of human rights. Yet, before the ink had even dried on exalted ideals and commanding words, Europe was at it, once again, with the forcible implant of a generation of surviving victims into age-old Palestine, indifferent to how many new victims were crushed by its latest colonial project which continues brazen, unchecked and deadly all these decades later..."

Each one chose to volunteer after becoming familiar with Rubicon's and Sean's experiences.

Jules Bond is the chief editor of X Rubicon and Crossing Rubicons. She is a former research librarian, she has thirty years experience researching complex cross relational topics in all fields. Jules regularly contributes to essays.

Sophia Rose is an artist. She painted *Life Begets Life*, as a gift to Rubicon, which was used for the cover of *X Rubicon*. She also painted *Stalking in the Field of Death* for the book. She continues to provide original artwork and opinions in publishing decisions; and, from time to time, she contributes to essays.

Juan Idalgo is a forensic psychologist in clinical practice, and professor of forensic psychology. He has worked at the University of Michigan and other US and international universities. Rubicon and Sean first met him in 2021. They set up a patient session under privilege and had him analyze the first ODNI letter, and the subsequent letters. Quotes obtained from that first session were utilized in the book. He later wrote the *Forensic & Clinical Reading of X Rubicon and Crossing Rubicons'*

Expansions… "emotional nakedness that is rare in war literature." and became a regular contributor to Crossing Rubicons. Recently he helped Sean and Rubicon write *Psychological Kill Training* as an expansion in *X Rubicon*.

John is a certified international project & program manager. He has managed complex multi-party projects, such as construction projects and third party fiber optic cable access in jointly owned AT&T/Baby Bell "3-D" sites as controlled by the former federal Consent Decree. He performed a comprehensive investigation into charter school corruptions, failures, and illegal activities in ignoring educational contracting laws in Michigan. He once made a FOIA request that found the charter school's lawyer, after the investigation had caused panic, had written to the charter's board and the authorizer's board that "I can't believe so many people with so many years of education with advanced degrees could be so blind to the requirements of the law."

Rubicon spent just under three years as a military Scout. During that time he was awarded the "AF Cross, 2 Silver Stars, 4 Bronze Stars, Defense Superior Service Medal, AF Good Conduct Medal, and the CIA Distinguished Service Medal" (ODNI). When he refused to kill further, he was stripped of these awards and was abandoned with his PTSD and Moral Injury by the military and thrown away. Due to proscriptions laid out in negotiations and three written ODNI letters, we don't give further information on Rubicon nor Sean, to protect identities and to comply with the ODNI.

Sean Griobhtha (gree-O-tah) is an Army Ranger combat veteran. He is the author of **X Rubicon: Crossing Life, Sex, Love, & Killing in CIA Proxy Wars: An indictment of US Citizens: *ignorantia non excusat***, which details the life of Rubicon ("2.5 years Deception & Death; 40+ years locking away Emotions & Truth"). His time as a Ranger (1978-82) involved participation in Operation Eagle Claw, and subsequent lead of his team in Central American and South American CIA operations, similar to Rubicon's. He is currently trying to navigate the prepublication

review process with the ODNI for his own accounts (the manuscript has been written by Rubicon). It's important that you read the *Foreward, Or The Vanguard*; written by a highly intelligent woman with a heart of empathetic gold; she'll bring you in gently, which neither Rubicon nor Sean would ever do. Due to proscriptions laid out in negotiations and three written ODNI letters, we don't give further information on Rubicon nor Sean, to protect identities and to comply with the ODNI.

Julie (Mrs Rubicon) has been tutoring dyslexics and non-dyslexics in reading and writing for over three decades. She has a Bachelor's degree in Interdisciplinary Humanities, and a Master's degree in Pastoral Care and Psychology. She completed Pastoral Care training at the University of Chicago Hospital; and she has worked with various court systems in turning children around. She has volunteered in school sponsored reading programs where we've again witnessed her skill in improving even the most recalcitrant students. She holds teaching certification in Orton-Gillingham tutoring from the Michigan Dyslexia Institute. **Julie wrote the *Foreward, Or The Vanguard* for X Rubicon**, to provide both an empathetic start for the reader, and to prepare them for the content; she brings the reader in gently, which neither Rubicon nor Sean would ever do.`

GP&R performs publishing and research.

GP&R's association with the MacArthur Foundation: The Foundation supplies GP&R with a limited grant to provide print copies of X Rubicon directly to local and intermediate school district Boards of Education members. The purpose is to encourage school boards to rethink participation in military recruitment (ROTC/JrROTC) and provide exploration for students into peaceful avenues of study and understand the ideas and thoughts to counter systemic violence (war). From time to time, in accordance with the agreement, we must publish deeper looks into what drives the issues, and those essays include IAW (in association

with) MacArthur Foundation in the byline or immediate area. A few of those essays are in Crossing Rubicons' archive.
